BRITISH — FINE FOODS —

British Fine Foods, and why we stand apart from the rest

Focusing on quality and provenance, British Fine Foods makes locally produced, artisan food available across the UK, and creates hampers that champion the best of British.

A previous winner of Gourmet Britain's 'Best Food Mail Order Supplier', British Fine Foods has also been highly commended in the Farm Shop & Deli Awards. We source the very best British produce from award-winning British producers who have won Great Taste Awards, World Cheese Awards or are Holders of the Royal Warrant and are proud to be members of the Guild of Fine Food.

We set up British Fine Foods to help support the best British artisan producers and make their products available to customers across the country. We are passionate about good food and find nothing more enjoyable than sharing wonderful food & wine with our friends and family. With more cheesemakers in the UK than in France, internationally acclaimed wines, and smoked salmon and fresh meat unrivalled elsewhere, we know that Britain now has some of the best food in the world.
